

Youth-led interactive assembly will help students to understand the effects that racism has on racialized groups and show students how they can help those who experience racism. Youth speakers will share personal stories about their challenges with racism and share a message of empowerment and hope. Students will better understand what they can do to step up in their community and actively create a more inclusive environment with their peers.

ASSEMBLY FORMAT:

- INTERACTIVE INTRO / WARM UP
- INCLUSIVITY AND RACISM
- SPEAKER ONE
- INTERACTIVE ON INCLUSIVITY
- SPEAKER TWO
- INTERACTIVE ON KINDNESS
- RECOGNIZE - LEARN - SPEAK UP
- Q&A / RESOURCES

What a tremendous amount of courage to get up and share their stories! I was truly touched by each of their stories and I have already had many teachers come to me to share many positive comments about the speakers and their messages. Our students were very engaged and each grade will be continuing the discussions in their classrooms with follow up activities. Thank you so much for coming to our school.
