YouthSpeak...created such an empathetic, validating and encouraging space for our students, and were so enjoyable to get to know! Our entire group was howling with laughter at points, quietly and intently listening at others and almost brought to tears during vulnerable moments. They opened up the space for everyone to share and provided valuable information, resources and support. Coordinating their visit was easy and they provided generous support to our school and our event. We cannot wait to work with YouthSpeak again in the future!
