

# INCLUSIVITY & DIVERSITY

FOR CARING ADULTS

This Youth-led one-hour session will address the effects of intersecting forms of discrimination and oppression in school communities. Through the speakers' lived experience and acquired knowledge, participants will gain a deeper understanding of core concepts around gender, sexuality, race, ability, and how to practice inter-sectional inclusion in school communities.

## PRESENTATION FORMAT:

- DIVERSITY & INCLUSIVITY
- LAYERS OF OPPRESSION
- XENOPHOBIA & RACISM
- SEXISM & MISOGYNY
- SPEAKER STORY ONE: PERSONAL STORY
- 2SLGBTQ+ AND PRONOUNS
- NEURODIVERGENCE & MENTAL ILLNESS
- SPEAKER STORY TWO: PERSONAL STORY
- INTERSECTIONALITY
- SELF-REFLECTION ON BIASES
- WHAT CAN WE DO TO HELP?
- Q&A

\*Includes Printable Resources Material

*YouthSpeak...created such an empathetic, validating and encouraging space for our students...Our entire group was howling with laughter at points, quietly and intently listening at others and almost brought to tears during vulnerable moments. They opened up the space for everyone to share and provided valuable information, resources and support. Coordinating their visit was easy and they provided generous support to our school and our event. We cannot wait to work with YouthSpeak again in the future!*
